

## Around the World in Eighty Days (A Play)

Phileas Fogg, the perfect Victorian gentleman, has determined, with mathematical precision, that the world can be circumnavigated in eighty days. On this belief, he has wagered his entire fortune and, more importantly, his word. Will an act of chivalry, a herd of buffalo, an unreliable but ever faithful valet, and an unrelenting inspector from Scotland Yard keep him from his impossible task? Follow Fogg aboard steamships, locomotives, and pachyderms as he learns about a world that he never anticipated in this thrilling and touching new adaptation of Jules Verne's classic adventure story.
