

Kitchen Table Publisher: The Master Manual : How to Start, Manage and Profit from Your Own Homebased Publishing Company (Fifth Edition) (Kitchen-Table Publisher Book)

Kitchen Table Publisher: The Master Manual is one of a kind. Its utterly complete pages constitute an open door to great financial success in publishing at the home town and regional level. This how-to and operations manual is jam-packed with details and techniques that will enable you to start and make big profits publishing your own city magazines, regional magazines, tourism guides, newcomer guides, association membership directories, apartment comparison guides, niche market books for local markets, Chamber of Commerce quality of life magazines, weekly newspapers, niche market tabloids and free circulation shoppers. All the trade secrets of cost management, price setting, market analysis, and much more are included in these pages. This information is not available from any other source. The author knows these publications will work because he has done them all with little or no cash up front and from his home-based office. In the course of doing so he learned the business inside and out. All you need is a simple desktop publishing system (or access to one), a desire to succeed, and the step-by-step know-how contained in these pages.
