

The Case for Life Beyond Death

The death experience and the way those who have passed on into the spirit realm communicate with the living is examined from spiritual, scientific, and sociological perspectives in this book. Descriptions of the authors encounters with reflections on death from historical figures and spiritual persons such as the Dalai Lama, J. Krishnamurti, and C. S. Lewis illustrate the 30 years of wisdom and insight she has gained from communications with people who have died. This book invites individuals to reflect on their own personal journeys and brings hope and healing to those who have suffered the loss of a loved one.

Can you prove life after death? Whenever we argue about whether a thing can be proved, we should distinguish five different questions about that thing: Life After Death: The Case for Survival of Bodily Death (Psychical research) (9780850305043): D.
