

Master of Disaster: Irwin Allen - The Disaster Years

Take a look back at the making of some of the biggest disaster movies of the 1970s and the amazing career of one of Hollywood's top filmmakers. As the Master of Disaster, Irwin Allen gave us harrowing adventure tales in the grandest fashion only he could imagine. With hits like *The Poseidon Adventure* and *The Towering Inferno*, he brought together all-star casts, major Hollywood studios, and state-of-the-art effects to create event pictures that earned millions. In the process he made himself a legend and helped change the industry and the way movies are made. Filled with rare photos and tales of movie-making history, *Master of Disaster* covers all of Irwin Allen's 1970s disaster pictures and is a tribute to the life and career of Irwin Allen.
