

Hot Girls in Japan

This is a story of a man who moved to Japan just before he turned 30. This is a collection of short stories about some girls he's met there. The main character of the amazing movie Memento said that memory is unreliable. It can change the color of a car, or the shape of an object. On this behalf, these short stories must be read as a work of fiction, or rather of reality narrated as fiction. All of it is real, except for the way I chose to narrate it.
