

Jesus, CEO: Using Ancient Wisdom for Visionary Leadership

The world is changing at almost breakneck speed, and the leaders who succeed will be those who can marshal their most powerful resources in the most effective ways. With principles embedded in spirituality, ethics, and strength, acclaimed motivator Laurie Beth Jones brings us *Jesus, CEO*, a bold yet sensitive inspirational guide for leadership success. After years in business, Jones was struck by the notion that Jesus leadership approach ran counter to most of today's management styles. In *Jesus, CEO*, she explains that by harnessing the three strengths behind Jesus leadership techniques (the strengths of self-mastery, action, and relationships), we can become the empowered leaders that the next millennium will require. Following the example of Jesus, a CEO who took a disorganized staff of twelve and built a thriving enterprise, *Jesus, CEO* details a simple, profound, fresh, and often humor-filled approach to motivating and managing others.
