

# How Do I Become Vegetarian Or Vegan? Book A Guidebook To Living The Vegetarian Life

Thinking of becoming vegetarian or vegan? In this book I share with you a few of my experiences as a vegetarian for 30+ years and as a professional chef. Here you'll also find tips on getting started and answers to many FAQs you may have as you begin your transition into a plant-based lifestyle. I've also provided a few simple recipes to get you started on the path of healthy living! In this book I explain the different types of vegetarians and exactly what a vegan lifestyle requires. I also talk about how to approach giving up meat, eggs and seafood as well as what to say to your family and friends, how to survive dinners with friends as well as dining out. If you're considering this lifestyle, you'll find many of your questions answered here as I've been living this lifestyle and I think over time, I've answered all the questions. I know you'll find many of your answers here. In the next book in this series, we'll discuss how to stock your pantry so you'll be a successful vegetarian or vegan.
