

Pirate Diary: The Journal of Jake Carpenter

Adventure! History! Pirate Diary reveals life on the high seas in the eighteenth century through the eyes of a nine-year-old boy. Learn what life was really like on a pirate ship in 1716 as you read PIRATE DIARY, nine-year-old Jake Carpenters journal of adventure on the high seas. Discover through Jakes own words the thrills and perils of a seafaring life as he explores the good ship Greyhound, meets fearsome Captain Nick, and becomes a carpenters apprentice. But the real excitement begins when pirates capture the ship and Jake finds himself embarking on a new life on the wrong side of the law. From mermaids to monsterlike whales, terrible storms to dead calms, maroonings to pirate raids, Jakes diary records everything a reader could want to know about life under the pirate code. Historically accurate illustrations of the ship and crew, a map of Jakes travels, and a detailed glossary and index vividly reveal the fascinating and harsh life of a pirate in the eighteenth century.
