

Spirit Herbs: Simple Recipes For Hibachi Herbal Magic & Sacred Space

For anyone wanting to purify the self, create sacred space and enhance Earth energies. Go way beyond smudge sticks with Hibachi Herbal Magic using loose herbs on hot charcoal. Bring back the ancient art of strewing to create sacred space with herb blends that are scattered upon the ground. Take the effect of strewing inside at home or work with amazingly effective potpourris. For the barbeque impaired, the book comes with a how-to primer on charcoal fires. Also included is Herbal 101, an easy to follow guide for buying, preparing and storing herbs, plus Moonladys Magical Herbs chapter for in-depth information on herbs in the book. A resources section provides books and web sites for further study
