

# The Chinese Secret: How to save yourself from breast and prostate cancer ... and enjoy sex like never before!

The Chinese Secret is the first medically-accurate book ever published that explains how soy products prevent, prevent the two most devastating and widespread U.S. cancers. Prostate and breast cancer kill 100,000 Americans each year. The rate of prostate cancer in the U.S. is 2100% greater than China where soy is an important part of the diet. The incidence of breast cancer in China is half of that in the U.S. As a bonus, soy turbocharges male sexuality and female desire. And exciting news for women: few Chinese women suffer the terrible symptoms of the menopause. Soy can save your life.
