

Six Systems of Indian Philosophy, The

My object in publishing the results of my own studies in Indian philosophy was not so much to restate the mere tenets of each system, so deliberately and so clearly put forward by the reputed authors of the principal philosophies of India, as to give a more comprehensive account of the philosophical activity of the Indian nation from the earliest times, and to show how intimately not only their religion, but their philosophy also, was connected with the national character of the inhabitants of India... - F. Max Muller

Friedrich Max Muller (1823-1900) was an Anglo-German orientalist and comparative philologist. He was a theologian who also wrote and translated books about the religions and sacred texts of the Far East, such as Buddhism and Confucianism. In 1898 he received the high honor of being made a Privy Councillor.
