

Invisible Victims: Missing and Murdered Indigenous Women of Canada (Crimes Canada: True Crimes That Shocked The Nation) (Volume 15)

~ PRE-ORDER PROMOTION~Pre-order enters you to WIN 1 of 10 Anker Model A1105031 Portable Phone Chargers. Indigenous women and girls are more likely to suffer extreme violence than other women. They are more likely to disappear and never be seen again. And sadly, they are more likely to be murdered by a serial killer. For decades, it has been Canada's dirty little secret. Then in 2014, the horrific murders of Loretta Saunders and Tina Fontaine made headlines across Canada, ignited widespread outrage and exposed Canada's national shame. So why is the level of violence towards Indigenous women reaching crisis levels? Centuries of discrimination, long term effects of the dreadful residential school era, and many other appalling government-approved practices have resulted in widespread racism towards Indigenous people. Attempts at genocide didn't cease centuries ago like many believe. They just became more subtle. Invisible Victims is a shocking work that shines a spotlight on the Missing and Murdered Indigenous Women tragedy in Canada, its root causes and several cases. It also includes serial killers who specifically targeted Indigenous women as victims, as a direct result of indifference on the part of Canada's law enforcement, media and government.
