

Healing Sibling Sexual Trauma: A Very Personal Story

Memoir and Self-help book for adult survivors of sibling sexual abuse written by a psychotherapist. Cartwright's book tells the personal story of recovering from sexual abuse at the hands of a sibling. By sharing her story, Cartwright aims to help victims understand the impact sibling abuse has on survivors, provide tools to help them begin their healing journey and emphasize that survivors can leave the past behind and build happy lives ahead. Cartwright's clinical knowledge, empathy and direct but caring writing style help readers move through these difficult issues.

Despite an indication in the literature that sibling sexual abuse is the most prevalent form Views expressed in its publications are those of individual recovery for all (Caffaro, 2008 Kambouridis & Brief history cultural and therapeutic. 3.
